CELEBRATE THE CIBOLO GALA
BARN DANCE
AT THE FARM

A Celebration of Conservation & Community

Dear <Insert Name>:

We look around these days and see growth happening all around us. As the saying goes, the only constant in life is change. The Cibolo has been growing and evolving for over 34 years, and we are now more than just a couple of friends cleaning up the creek. Today, we are a farm, a nature center, a preschool, a garden, a summer camp, a farmers market, and, yes—a center for conservation.

The Cibolo's growth has been made possible by friends like you who support our mission to conserve natural resources through education and stewardship. You are an essential partner in our success and a vital tool for our legacy. The state of our world continues to challenge us in many ways to adapt and grow to serve the new needs of our community. We look to you to help keep our precious lands and water protected, preserved, and thriving forever. Our footprint is growing, and we have much to celebrate as we set the course for a sustainable future.

We invite you to join us for the **Celebrate the Cibolo Gala: Barn Dance at the Farm on Saturday, October 1, 2022.** This will be a celebration of *Conservation & Community* and the generosity of the champions in our region who have helped us save Hill Country lands. Proceeds of this year's event will benefit the Cibolo's conservation initiatives, education programs, research, and land protection efforts.

This year's gala is a fun barn dance underneath the beautiful starlit sky at the Herff Farm. This experience offers seating around the historic barn against the beautiful backdrop of the gardens and wide-open fields at the farm. We have created a picturesque night for you and your friends to enjoy the array of Chef Isaac Cantu's curated delights and delicious premium BBQ.

You have the option to sponsor a table or enjoy a special night of music and dancing with your favorite partner. Guests will have access to a silent auction offering a variety of experience packages and items for folks of all ages.

This year, our goal is to raise \$200,000 for the Cibolo. Your support of this event is essential to save and maintain the Hill Country that we know and love. Everything we do at the Cibolo is for the love of nature.

Support and sponsorship opportunities are enclosed. Please contact Leigh Owen for more information at (830) 388-7676 or leigh@cibolo.org. Thank you for all that you do for the Cibolo!

Sincerely,

Carolyn Chipman Evans
